Subject: Notice of File Closure and Release of Reclamation Surety, Metamining of Utah, Black Magic Mine, S/023/0108, Juab, Utah

Dear Mr. Lowder:

The Notice of Intention to Commence Small Mining Operations (Notice) for the referenced mine will now be closed and the file retired. The site was inspected by the Bureau of Land Management, and the disturbed area has been fully reclaimed. You are hereby released from further reclamation responsibilities at this site.

Enclosed please find a check for \$3,000.00 which represents the balance in the surety account. Also enclosed is the original reclamation contract for your disposal or records.

If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division of Oil, Gas and Mining and obtain approvals from other appropriate agencies, and provide reclamation surety prior to creating any disturbance.

Please contact Wayne Western at 801-538-5263 or me at 801-538-5261 if you have questions or concerns regarding this action. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Paul B. Baker
Minerals Program Manager
